

To whom it may concern,

I love working with people! To see someone happy and feel good about himself or herself is such a positive thing. I love to get people to laugh and see the funny, positive side of life.

My background is extensive in hair, nails and skin care. I don't limit myself to being inside the box. Throughout my career I have gained considerable knowledge in other areas. I have worked as a BARTENDER...Cocktail Waitress, Food Server, bank teller, cashier, and retail sales.

I know I can be an asset to your business. My goal is to be the best at what I do, to constantly be learning and to give excellent customer service. I do not like the motto "that's not my job". I will do whatever is expected of me and beyond.

What I can bring to the table

- Positive attitude
- Honesty
- Efficiency
- Flexibility
- Reliability
- Willingness to learn
- Be a team player
- My 110% all

Thank you for your time and consideration,
